This document explains exactly what cover is provided and contains the terms and conditions of **Your** policy. This document, together with **Your** application for cover and **Schedule**, forms the policy and should be read as one document. The **Schedule** contains information about **You, Your Pet**, the period of cover and the premium. Words that appear in italics have a special meaning, which are defined under the definitions section of this document.

As long as **You** keep to the conditions of this policy, **We** agree to provide **You** with the cover. In the event of payment default **You** have 7 days from the date of default to contact **Us** to arrange payment. If payment is not received, **Your** policy will be cancelled from the default date and **You** will not be entitled to any of the benefits provided by **Your** policy after this date. If a claim has been made, the remaining premium for the policy year will become due. Please refer to Section 15 'Cancellation Rights'.

This policy provides cover for the cost of **Veterinary Fees** if **Your Pet** suffers from a sudden and unexpected **Injury** or **Illness** together with other benefits, depending on the level of cover **You** have selected. **You** are entitled to use the services of any registered veterinary practitioner in the UK, Channel Islands and the Isle of Man. **Veterinary Fees** are defined in Sections 1 & 2 of this document and may be subject to stated limits, **Excesses** and applicable **Waiting Periods**.

Consumer Insurance (Disclosure and Representations) Act 2012

When taking out **your policy**, **you** must take all care in answering all questions asked honestly and to the best of **your** knowledge. This includes anything asked within **your** application for insurance as well as any information relating to **your pet's** medical history.

Your failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in **Your** policy being cancelled or **Your** claim being rejected or not fully paid. If **You** are in any doubt about **Your** duty to take reasonable care not to make a misrepresentation please contact **Our** Customer Services Department on 0345 165 0928.

This policy is a fixed-term contract of insurance not a continuous permanent health policy. It provides cover for **Your Pet** while **You**, or anyone acting with **Your** permission, is looking after it. **We** will only provide cover once **We** have accepted a completed application and issued a **Schedule**.

It is up to **You** to ensure that the cover **You** have selected is appropriate for **Your** needs. **We** cannot advise **You** on whether this policy meets **Your** personal objectives, financial situation or needs. If **You** have any questions regarding this policy or **You** would like to make changes or additions to this cover, please contact **Us** on 0345 165 0928.

You must notify **Us** as soon as possible of any changes which may affect the cover provided and which have occurred since the cover started. If **You** do not inform **Us** of any changes, this policy may become invalid and may be unlikely to provide the cover **You** require.

This policy does not cover every circumstance or expense and **We** have some exclusions that help keep premiums affordable. A list of the exclusions applicable to each section are included after each section, and details of general exclusions, which apply to all sections of cover can be found in Section 13 of this document.

In return for payment of the correct premium, **We** will provide insurance for the **Pet** named on the **Schedule** for the **Benefit Limits** noted on the **Schedule** and Table of Benefits (page 3) as per the policy terms and conditions as set out in this document.

All defined terms appear in **bold** throughout this document

The following words will have the meanings described below wherever they appear in this document.

Accident means a single, unexpected event causing **Injury** to **Your Pet**.

Anniversary Date means the anniversary of the **Commencement Date** of your Policy.

Application Form means **Your** application for this Pet Insurance containing the facts disclosed to **Us**.

Aggregate Limit means the maximum amount of claims that **We** will pay for all losses during a specific period of time, no matter how many separate claims may occur, be that the **Policy Period** or for the duration of time Your Pet is insured under this Policy or a subsequent Policy Period of this policy or per **Condition**, and is dependent on the cover **You** have selected.

Associated Costs means general anaesthetic/sedation, drugs administered for a **Treatment**, one day's hospitalisation fee and interpretations fees.

Benefit Limits means the total amount payable per claim or per **Condition** per each section of coverage. The maximum **Benefit Limit** that **We** will pay for a single **Condition, illness or injury** suffered by **Your Pet** is the maximum **Benefit Limit** that was current in the **Policy Period** when the **Condition** first manifested, as stated in **Your** policy **Schedule** and Table of Benefits. If **You** stop making premium payments to **Us** then cover for any ongoing **Conditions** will cease. **Benefit Limits** are reduced in accordance with applicable deductions and not renewed on a monthly basis.

Bilateral Condition means any **Condition** affecting body parts of which **Your Pet** has two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). When applying a **Benefit Limit** or exclusion, **Bilateral Conditions** are considered as one **Condition** if there is evidence that **Your Pet** has had symptoms of the **Condition** in the last 24 months and/or **Your Vet** records indicate that the **Conditions** are related.

Clinical Signs means changes in **Your Pet's** normal healthy state, its bodily functions or behaviour.

SECTION 2 – VETERINARY FEES- (TREATMENT TO YOUR PET)

2.1 Cover

We will pay the claim amount for normal and customary **Veterinary Fees** up to the total **Benefit Limit** as shown in **Your Schedule** and Table of Benefits for **Treatment**. The policy **Benefit Limit** will cover claimable **Conditions** per **Policy Period**. All claims are deducted from the same **Benefit Limit** in any **Policy Period**. This is then topped back up to the **Benefit Limit** at each renewal as shown in the Table of Cover provided within **Your** policy **Schedule** and Table of Benefits, providing **Your** premiums are paid up to date. If **You** stop making premium payments to **Us** then cover for any ongoing **Conditions** will cease.

All **Injury** or **Illness** claims are deducted from the **Benefit Limit** in any **Policy Period** subject to an annual **Aggregate Limit** as shown in **Your** policy **Schedule** and Table of Benefits.

For the avoidance of doubt, please note that the **Benefit Limit** for **Complementary Medicine**, special diet, Cruciate ligament damage, CT/MRI Scans and **Associated Costs** and **Dentistry** is not a separate limit and is therefore included within the maximum **Benefit Limit** as shown in **Your Schedule** and Table of Benefits.

Downgrade cover – If **You** transfer **Your Pet** to a plan with lower **Benefit Limits**, the higher **Benefit Limits** will no longer apply to any claims **You** are currently making.

The following example explains how to calculate the **co-payment** amount **you** would pay using a valid **veterinary fee** claim of £400:

Amount Claimed	£400
Less Excess £60	£340
Less Co-payment 15% = £51	£289
Total paid by You	£111
Total paid by Us	£289

2.2 Level of Veterinary Fees allowed

Every claim will be reviewed by an internal pet claims assessor and compared to charges for the same or similar **Treatment** within the same area to ensure that the **Treatment** and **Veterinary Fees** are necessary, essential and not excessive.

We have the right to deduct any costs in excess of a 100% mark up on the manufacturer’s or wholesaler’s price of veterinary medicines based on **our** catalogue of prices. This will include any dispensing fees.

2.3 Cruciate Ligament Damage and CT/MRI Scans and Associated Costs

We will pay up to the **Benefit Limit** as shown in **Your Schedule** and Table of Benefits for cruciate ligament damage. This is not a separate benefit but is limited under **Veterinary Fees**. **We** will pay up to the **Benefit Limit** as shown in **Your Schedule** and Table of Benefits for CT and MRI Scans and **Associated Costs**. If **Your** limit for cruciate ligament is reached and **Your Pet** needs a CT/MRI Scan relating to the cruciate this will not be covered. If **Treatment** of a claim involving a cruciate(s) includes complementary medicine, those costs will be put under the complementary medicine benefit rather than the cruciate ligament damage limit.

2.4 Special Diet

We will contribute to the cost of **Your Pet**'s prescription food, up to a maximum of £100 per **Policy Period (Benefit Limit)**, as long as it is prescribed by **Your Vet** and can only be bought from a veterinary surgery or online pharmacy and it is to dissolve bladder stones or crystals in urine and for no other purpose. **We** will not be liable for any other dietary costs under this policy. The maximum **Benefit Limit** that **We** will pay for special diet is the **Benefit Limit** shown in **Your Schedule** and Table of Benefits for up to 60 days per **Policy Period**. Please note any special diet payment for bladder stones or crystals in urine will cease once these are dissolved, **We** will not continue to pay as a preventative measure to stop the stones re-occurring.

2.5 Dentistry

We will pay up to the **Benefit Limit** as shown in **Your Schedule** and Table of Benefits for **Dentistry Treatment** as a direct result of an **Accident** and/or **Injury to Your Pet**. This is not a separate benefit but is limited under **Veterinary Fees**. **We** will not cover any **Illness** related **Dentistry** or **Illness** resulting from **Dentistry Treatment**.

10.1.10 If **We** have made any overpayment regarding claim settlements, this will be requested back in full and/or deducted from any future claims.

If **we** can see evidence in **your Pet's** clinical history that there has been any delay in arranging veterinary **Treatment** **We** will refer the case to an independent **Vet**. If it can be established that the delay in arranging **Treatment** has or is likely to result in additional costs or expenses being **you** had to pay. **We** reserve the right to either refuse to admit the claim or make a deduction from any settlement to reflect these increased costs or expenses.
