Breakdown or involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If the **vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **RAC** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

RAC will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **RAC** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **RAC**.

 4. **RAC** will not cover the costs of fuel, insurance or meals;

 - ii. at the exchange rate used by **RAC** when **your** claim form is received if **you** paid in cash;
5. When a hire car, taxi, hotel or similar benefit is arranged under this **Ageas Breakdown Cover**, **RAC** will always try to find a suitable option that is available at the time, however:
 - a) **RAC** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b) for hire cars, whilst reputable companies are used, **RAC** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
6. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If you do, and in **RAC's** reasonable opinion that would lead to additional costs being incurred, **RAC** reserve the right to refuse to provide cover under section E3 (Onward travel in Europe) or section E5 (Getting your vehicle home);
7. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **RAC** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
8. This **Ageas Breakdown Cover** does not cover:
 - a) **vehicle** storage charges, other than under Section E5;
 - b) the hire of minibuses, motorhomes, motorcycles, **caravans**, **trailers** or vans;
 - c) overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling; or
 - d) **breakdowns** or **road traffic collisions** caused by running out of oil or water, frost damage or rust or corrosion.

General conditions

The following conditions apply to all sections of this **Ageas Breakdown Cover**. If **you** do not comply **RAC** can refuse cover and/or cancel **your Ageas Breakdown Cover**.

1. **You** must pay **your** premium.
2. **You** must request services directly from **RAC**, as **RAC** will only provide cover if **RAC** make arrangements to help **you**.
3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take the **vehicle** to a place of repair and **your Ageas Breakdown Cover** will not cover this.
4. **RAC** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
5. Where **RAC** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **RAC** will not provide cover.
6. A **driver** must be with the **vehicle** when **RAC** attend.
7. **RAC** will not be responsible for any loss of or damage to the contents of the **vehicle**.
8. Where **RAC** recover **passengers** under the age of 16, they must be accompanied by an adult.
9. **RAC** will not allow animals in their vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. **RAC** will not be liable for any injury to animals, or damage caused by them. **RAC** will not transport any livestock. **RAC** will not be responsible for any costs relating to animals.
10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat, where required.
11. Where **RAC** provide a repair to the **vehicle**, whilst **RAC** are responsible for that repair, this does not mean that **RAC** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
12. **RAC** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **Ageas Breakdown Cover**. For example, **RAC** will not pay for any loss of earnings or missed appointments.
13. **RAC** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **RAC** will try to check that the garage will undertake the type of repairs required, **RAC** cannot guarantee this. **RAC** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes or any other event, **RAC's** services can be interrupted. They will resume their

service to **you** as soon as they can in these circumstances.

15. The cost of the following is not covered by this **Ageas Breakdown Cover**:

- a) ferry charges for the **vehicle** and **RAC's** vehicle;
- b) spare tyres and wheels and repairing or sourcing them; or
- c) recovery by someone other than **RAC** even if this is requested by the emergency services, **RAC** will only provide recovery once instructed to do so by the emergency services.

16. In handling any **claim** there may be more than one option available to the driver under this **Ageas Breakdown Cover**. **RAC** will decide which is the most appropriate option based on the expertise of **RAC** in **breakdown** situations. In doing so **RAC** will act in consultation with the **driver**, and act reasonably at all times.

17. This **Ageas Breakdown Cover** does not cover:

- a) routine servicing, maintenance or assembly of the **vehicle**;
- b) use of the **vehicle** for public or private hire, the carriage of goods for hire and reward, demonstration purposes or carrying trade plates;
- c) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
- d) **breakdowns** that occur, or recovery of the **vehicle** to a destination that is, off the public highway to which the **driver** or **RAC** have no legal access;

- e) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;

- f) **vehicles** that are not in a roadworthy condition. If **RAC** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **RAC** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **RAC** will provide service;

- g) any **claim** that is or may be affected by the influence of alcohol or drugs;

- h) **vehicle** storage charges, except under Section E5. If the **vehicle** is being stored, **you** will be contacted at **your** last known address with details of how to arrange collection and any fees which may be payable. In extreme instances, where the **vehicle** has not been collected and fees not paid, the **vehicle** may be disposed of and any outstanding fees will be deducted. **You** will be notified, in accordance with legislation, prior to this happening; or

- i) any **claim** under this **Ageas Breakdown Cover** where the **breakdown** was first reported to **RAC** under a different policy.

18. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **RAC** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge, other than Additional services:

Driver induced faults

If the **vehicle** cannot be driven for any reason other than a **breakdown**, for example, putting the wrong type of fuel in the **vehicle**, flood or any fault caused by actions or omissions of the **driver**, **RAC** will send help to the **vehicle**. If **RAC** cannot get the **vehicle** going again, **RAC** will recover the **vehicle**, the **driver** and **passengers** up to 20 miles. Any **specialist equipment** required by **RAC** to repair or arrange recovery of the **vehicle** will be chargeable.

Service in the Republic of Ireland

If the **vehicle** has **broken-down** in the Republic of Ireland, **RAC** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section B (Recovery), **RAC** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken-down** and the **driver** needs to get in touch with friends and family urgently, **RAC** will get a message to them.

Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **RAC** may be able to provide a replacement driver. This service is discretionary, and **RAC** will decide whether or not to provide this service.

Additional services

RAC can provide additional services that are not included in **your Ageas Breakdown Cover** but **RAC** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to repair or recover the **vehicle**;
3. Extend the hire time for a replacement vehicle; or
4. Arrange a second or extended recovery.

If **you** need extra help, **RAC** will agree the costs up front and will need full payment before **RAC** can help. If **you** took out this **Ageas Breakdown Cover**, **you** will be responsible for any additional charges so if **RAC** help someone under **your Ageas Breakdown Cover** and they cannot pay, **RAC** will invoice **you**. This is why **RAC** request proof of identity at the **breakdown**.
